

11th INTERNATIONAL SYMPOSIUM ON KNAPPABLE MATERIALS

“From toolstone to stone tools”

Buenos Aires & Necochea (Argentina), November 7-12th, 2017

Third Announcement

Extension for abstracts submission and information regarding registration fees

Dear colleagues and friends

With this Announcement we would like to inform you that the deadline for submitting abstracts has been extended up to **May 30th**, with no exception. Remember that abstracts should not exceed 200 words in length, should be 1.5 spaced with 2.5 cm margins on all sides, and use Verdana font, 12 point. The title should be centered and in bold letters. The full name(s), institutional affiliation(s) and email address(es) of the author(s) should be included as footnotes, left aligned.

Each researcher can **be first author in only one presentation**, either oral or poster, distance or in person. This is the only condition that should be met. There's not a maximum number of papers. When you send your abstract, please choose the session you will be presenting your paper at and the way in which you will be presenting it (i.e. oral distance presentation, oral on site presentation and/or poster, either distance or on site). Please, submit your abstracts to the organizers of the chosen session and to the official e-mail address of the Symposium (11iskm2017@gmail.com) as well.

The Scientific Committee and session organizers will review the abstracts received. Acceptance will be informed to the authors by **June 15th**. The final list of presentations will be published in a future announcement.

Symposium fees

The registration fees for the Symposium are as follows:

	Before July 15th	After July 15th
On site attendee with presentation ¹	USD 120	USD 150
On site attendee without presentation ²	USD 60	USD 90
Virtual attendee with presentation ³	USD 90	USD 120
Virtual attendee without presentation ⁴	USD 40	USD 70

¹ Includes all authors (oral and/or posters) attending the Symposium in Buenos Aires.

² Includes all on site participants who are not authors and/or coauthors of an oral presentation or poster.

³ Includes all authors (oral and/or posters) attending virtually to the Symposium.

⁴ Includes all virtual/distance participants who are not authors and/or coauthors of an oral presentation or poster.

All fees are quoted in US Dollars (USD) and per person. Please note that all Symposium participants have to pay the congress fee, including chairpersons, speakers and ePoster/Poster presenters.

Payment

Participants living outside Argentina should pay their registration fee with PayPal through our website <http://www.imhicihu-conicet.gov.ar/iskm2017/>. Once you have paid, please send us the voucher via e-mail.

Participants living in Argentina should pay their registration fees by bank transfer and also send the voucher via e-mail. The amount to be paid is in Argentine pesos at the dollar exchange rate on the day of payment. More information about the procedure will be announced on the Symposium website.

We inform you that **by July 15th at least the first author of each paper (oral or poster) needs to cancel his/her registration fee** in order to guarantee the presentation. **Before September 1st all participants (distance and on site) must pay their registration fees.** The papers of participants (distance or on site) who have not settled the registration fee until that date will be omitted from the scientific programme. The costs of the trip to Necochea city and its surroundings will be informed in a future

announcement.

On-site registration and payment won't be possible.

We would like to remind you that English is the official language of the Symposium.

WE LOOK FORWARD TO SEEING YOU IN BUENOS AIRES!
